The background is a detailed ancient Egyptian wall painting. It features several registers of figures. The top register shows seated figures, including one with a falcon head. The middle register contains columns of hieroglyphs. The bottom register depicts a large figure with a jackal head (Anubis) kneeling, and a smaller human figure standing to its left. A white, smoke-like or misty effect is applied to the right side of the image, partially obscuring the figures and hieroglyphs. On the far left, there is a vertical decorative border with a repeating geometric knot pattern.
